

## RN Sample Job Description

**Position Title:** Staff Registered Nurse

**Summary:** [Company Name] is looking for a registered nurse to fill a management role in a nursing home setting. Our ideal candidate is organized, interested in management positions, and committed to maintaining high standards. Working with our company, you can expect flexible shifts, PTO, overtime pay, and a competitive salary. We own and operate over 20 nursing home facilities throughout the state, and we pride ourselves on a decades-old reputation for quality long-term care.

**Duties:**

- Observe and monitor residents' health and assess their needs to provide quality care
- Work with physicians to create individual care plans and assist them during required operations or procedures
- Maintain complete healthcare records and reports
- Supervise, manage, and train LPNs and CNAs on staff
- Perform routine procedures as needed, including administering medication and injections, and provide emergency medical care when necessary
- Maintain a high standard of hygiene and cleanliness within the facility

**Requirements:**

- BSc or Master's Degree in Nursing
- Current state nursing licensure
- BLS/CPR certification
- In-depth knowledge of nursing care methods and health and safety guidelines
- Responsible and compassionate with outstanding organizational and communication skills
- Experience supervising CNAs in a nursing home setting

**Preferred Skills:** Problem-solving skills, Spanish language proficiency, interest in a management role.

**Salary and Benefits:** \$80k-95k, 401k, health, life, vision, dental insurance, 2 weeks PTO, flexible schedule, overtime pay, and tuition reimbursement.

**Call to Action:** If you're ready to join a vibrant team with opportunities for growth, click the Apply button to start your applicant, or email your resume to [person]@companyx.com.
